Contractors' Site Review Done

We have passed the \$800,000 mark!! Thanks to all who have pledged and a special thanks the 6 families whose pledges helped us past that point. As of Monday, 367 households have offered their financial support. Each pledge makes a difference.

Please remember:

- * Pledges can be made over a period of three or four years.
- * Pledge payments are in addition to your weekly offertory.
- * All contributions are tax deductible.
- * Make checks payable to: St. Margaret's Capital Campaign

Seven contractors gathered a week ago for the site walk through for our first Campaign project: replacement of our front entrance bridge. The architect, a representative from the Diocese and Mike Lorio (our Facilities Manager) were there to answer any questions. Each contractor received a bid package with all the specs for the project. They have several weeks to review and submit questions. We will then evaluate the bids submitted by the deadline in conjunction with the Diocesan Building Office. The company we select will work with us to set the actual construction schedule, which we will share with you.

Equal Sacrifice,
Not Equal Giving
